#5 Wednesday March 18th 5:45-6:45pm

#6 Thursday Rehearsal April 9th 5:45-6:45pm

First Communion

Saturday April 11th 5:00pm mass

Families growing in faith together

First Reconciliation & First Communion

The Sacramental program for First Reconciliation and First Communion is designed to provide children and their families with a meaningful and enriching preparation experience for these important milestones in their faith journey. On select third Wednesdays of the month, children will gather for retreats focused on preparing for the sacraments. These retreats will include engaging activities, teachings, experiments and discussions that help children understand the significance of Reconciliation and Communion in their spiritual lives..

To foster a strong bond between parents and children during this special time, at least one parent is encouraged to attend the Sunday retreats alongside their child. This shared experience allows families to connect more deeply, engage in meaningful conversations about the sacraments, share their memories of sacramental prep, and support their child's spiritual growth.

Through this program, families will not only prepare for the reception of these sacraments but also create lasting memories and strengthen their faith together. The Sacramental program aims to ensure both children and parents feel equipped and inspired as they approach these sacred moments in their Catholic faith.

How *precious* is the Family as the privileged place for transmitting the **faith!**
